

# **Gardner Denver**

L04-L290 (5-400 HP)  
FIXED-SPEED ROTARY SCREW COMPRESSORS

## **L-Series**

# Advanced Technology Inspired Simplicity

## A Better Approach

Gardner Denver has a long history of manufacturing compressed air equipment. With our L-Series line of products, we have uniquely combined simplicity with cutting edge design. The result—a compressor that delivers outstanding performance with unprecedented serviceability.

## The Total Package

Gardner Denver has the total package—extensive compressor and air treatment product lines, sales and service support through our extensive network of authorized local distributors, and industry leading warranty programs. Because we offer more than just compressed air equipment, we can provide solutions that keep you running, protect your production objectives, and save you money.

Expect More?  
Choose Gardner Denver

GARDNER  
DENVER—TAKING  
**QUIET**  
TO A WHOLE  
NEW LEVEL

Without sacrificing serviceability,  
the L-Series compressor packages  
feature some of the **smallest  
footprints** in the industry.

Small Footprint = Cost Savings

# Compact, Quiet Compressors

## Nearly Silent Noise Levels

The Gardner Denver L-Series compressor designs feature high-quality, sound-insulating enclosure panels and a low-noise, thermostatically-controlled, motor-driven fan. These components reduce the noise to whisper-quiet levels and eliminate the need for a separate compressor room, saving money on installation costs.

# Stay Focused on What Is Important

Compressors are more than just a financial investment. They are a key component in ensuring that you, as a manufacturer, processor and operator, receive consistent, high-quality low-cost air. Gardner Denver uses the latest design techniques to develop a compressor that focuses on the three most important aspects of a compressor.

Reliability. Performance. Value.

Direct Gear Drive Fewer Hose Connections  
Integrated Thermostatic Mixing Valve Direct Angle Injection Integrated Air Filter Low Rotational Speeds

# RELIABILITY

Integrated Oil Filter Integrated Oil Separator Belt Drive  
Reduced Number of Components Fully Integrated Airend Semi Integrated Airend  
Fail Safe Shaft System Less Leak Opportunities

As a member of the Compressed Air and Gas Institute's performance verification program, you can rest assured that the performance numbers that Gardner Denver publishes are consistent with the actual performance of our machines. Gardner Denver compressors, just as all lubricated rotary screw compressors 5 HP and above, are third-party tested to ensure that our performance numbers are accurate, easy-to-understand and verified.

Gardner Denver —  
**Exceeding** Your Expectations

# Get in Touch with the **Next Generation** of Compressor Controllers

## State-of-the-Art

Gardner Denver completes its industry leading compressor packages with the state-of-the-art dual position GD Pilot controller. Featuring advanced software and an easy to use interface, the GD Pilot controller provides and displays an extensive amount of data on the operation of your compressor.

## GD Pilot Controller Features

- Real time clock
- Second pressure setting
- Discharge/line/network pressure data displayed
- Advanced fault history log
- Programmable inputs and outputs
- Auto restart after power failure
- RS485-Modbus RTU standard

## GD Pilot TS Controller Features

- Real time clock
- Second pressure setting
- Touch screen
- Discharge/line/network pressure data displayed
- Advanced fault history log
- Programmable inputs and outputs
- Auto restart after power failure
- RS485-Modbus RTU standard
- Optional SD card for data logging
- Optional baseload sequencing to control multiple machines

# Keeping the System Healthy

Ensure your  
compressed air  
system remains a  
total package

## Total System Protection

Since 1859, Gardner Denver has been supporting the compressed air industry with high quality, long-lasting compressor and air treatment solutions. Carrying on that legacy, our robust line of parts, lubricant and downstream accessories ensure your system stays healthy.

The focus on total system protection by Gardner Denver not only includes OEM parts and fluid solutions, but a commitment to the longevity of your equipment through our industry leading warranty programs.

## Protect your investment.

# Sales & Service **Distributors** Across America

## **An Extensive Network**

By leveraging the extensive network of Gardner Denver factory-trained authorized local distributors, your sales, service, and technical support needs can be handled quickly and easily.

## Best **Warranty** in the Industry

### **Experience Peace of Mind**

The engineering philosophy of Gardner Denver ensures long-lasting, reliable equipment. Our simple, but bold warranty programs demonstrate our belief in the quality found in Gardner Denver compressors.

Our standard warranty ensures that you have peace of mind when it comes to your system's operation. For added protection, take advantage of our 10-year extended airend warranty program. Simply stated, it's the best in the industry.
